

Grammar Discussion – Past Simple

Student A

Discuss the questions with your partner. Write down their answers then tell the whole class what you have learnt:

1. Where were you yesterday?
2. Were you born at home or in a hospital?
3. What was your favourite toy as a child?
4. How old were you when you learnt to swim?
5. Where was your first house?
6. When did you move into your own house?
7. When did you last go to a party?
8. What did you study in your last English class?
9. What did you do last summer?
10. Who did you work for last year?
11. When did you last go to the doctors?
12. What time did you get up this morning?

Student B

Discuss the questions with your partner. Write down their answers then tell the whole class what you have learnt:

1. Where were you before you came to work today?
2. What time of the day were you born?
3. What was your favourite game as a child?
4. How old were you when you learnt to write?
5. Where was your first school?
6. When did you leave school?
7. Whose was the last wedding you went to?
8. When did you last go out for dinner?
9. What did you do on Friday night?
10. Which department did you work in last year?
