| ```4. hoodie gloves mittens board-shorts bikini``` | 5. swim suit nighty pyjamas dressing gown boxers | ```6. pants bra shoes boots socks``` |

1. Make sure you and your partner(s) have different coloured pens.
2. Player 1 throws the dice. If you throw a 5 you look at the words in box 5, choose one, and write it under the appropriate drawing. At the same time cross out the word from the list.
3. Play now passes to the next player who does the same.
4. Play continues in this way. Should a player throw a number where all the words have been used up, the player misses a turn. Likewise, should a player be unable to place a word if they don't know it, they pass and it moves to the next player.
5. You score 1 point for every word placed correctly and lose 1 point for any word placed incorrectly.
