

**Prepositions of Time – at, on, in**

Look at the following, and then write where each of them should be! Good luck!

- |                |                          |               |               |                |
|----------------|--------------------------|---------------|---------------|----------------|
| October        | Sundays                  | bedtime       | the Summer    | 1969           |
| 6 o'clock      | noon                     | Halloween     | the 1800s     | this century   |
| 10.45 am       | lunchtime                | January 3rd   | Mother's Day  | the Jurassic   |
| night          | your birthday            | the future    | the moment    | Period         |
| Christmas Day  | October 23 <sup>rd</sup> | the same time | dawn          | New Year's Eve |
| Christmas      | the weekend              | midnight      | present       | 10pm           |
| November 17th  | supper time              | Thursday      | a cold day    | the evening    |
| the Autumn     | 2021                     | the morning   | the Spring    | 13.00 hours    |
| my anniversary | winter                   | Bonfire Night | the afternoon | Easter Sunday  |
