

### Exercise No. 2 (Part B) - Illness Phrasal Verbs

a. We've already looked at these commonly used phrasal verbs that are used when we are sick. Now let's see if you can remember what they all mean:

1. To have a weak immune system.		a. come round
2. To have on-going appointments with a doctor after an initial one.		b. run down
3. To dispose of something.		c. check up
4. To regain consciousness.		d. follow up
5. To die.		e. look for
6. Medical permission not to work.		f. come down
7. To contaminate someone else.		g. get rid of
8. To see a doctor.		h. get out of
9. To stay at home in bed.		i. pass away
10. To get sick.		j. pull through
11. To get better.		k. sign off
12. To avoid doing something.		l. pass on
13. To investigate something.		m. rest up

b. If there were any you weren't sure of or got wrong then now use them again in your own sentences to make sure you can remember what they mean:
