

## Feedback

In pairs ask and answer questions about the following topics. Make some notes. Then with a new partner tell each other what you have learnt about the other person. For example:

A: What kind of music do you like?

B: Hip hop mainly.

A: I asked Rosy what kind of music she liked and she said she mainly liked Hip Hop.

Choose from these topics and try and think of other things you could ask:

Likes / dislikes	Last night's dinner	Plans for tomorrow	Yesterday
Next week	Last weekend	Next year	Family
Have you ever...?	Weekends	Hobbies	Food
Your country	Where you live	Your job	Sport
