I _____ out this morning and I _____ down this song,

I _____ fire and I _____ rain. I _____ sunny days that I _____
_____ never end.
I _____ lonely times when I _____ not find a friend, but I always

I _____ see you again.

Won't you look down upon me, Jesus.
You _____ to help me make a stand.
You _____ just _____ to see me through another day.
My body's aching and my time is at hand and I won't make it any other way.
Oh, I _____ fire and I _____ rain. I _____ sunny days that I
_____ never end.
I _____ lonely times when I _____ not find a friend, but I always
_____ I _____ see you again.

So I _____ walking my mind to an easy time, my back _____ towards the
sun.
Lord knows when the cold wind blows it'll turn your head around.
Well, there's hours of time on the telephone line talking about things to come.
Sweet dreams and flying machines in pieces on the ground.

Oh, I _____ fire and I _____ rain. I _____ sunny days I _____ they
_____ never end.
I _____ lonely times when I _____ not find a friend, but I always
_____ that I _____ see you, somehow one more time again, now.

I _____ see you one more time again.
There's just a few things a coming my way this time around.
_____ I _____ see you, _____ I _____ see you, fire and
rain.
_____ I _____ see you, just one more time Suzanne.
La, la, la, la, la, oh, oh, oh, oh, yeah.
