

Fun Activities

Moving balloon:

Fix a bottle top to a CD with glue.
Blow up a balloon.
Twist the top but don't tie.
Put it over the cap and then let go.

Ziplock bag with spears:

Fill a bag with water and seal.
Push the spikes in one side and straight through the other side.
Do over a sink.

Balloon pop:

Blow up a balloon.
Take a long spike and push it through top to bottom.
Make sure you only push it through the dark bit.

Inflate a balloon inside a jar:

Heat small amount of water in a glass jar.
Fit a balloon over the top.
Put the glass jar into a bowl of iced water.
The balloon inflates in the jar.

Inflate a balloon over a bottle:

Put vinegar into the empty bottle.
Soda into the balloon.
Place the balloon over the top of the bottle.
The soda must tip into the bottle.
The balloon inflates.

Moving water:

Make something static.
Hold it close to running water.
Watch as you move the angle of the water.

Coloured Water:

½ cup of water into a glass.
Add one colour and mix.
¼ cup of oil – add slowly. Don't mix.
Add ¼ cup of salt.
Later can add more colours.

Orange peel trick:

Blow up a balloon and tie.
Peel an orange.
Squeeze the orange peel next to the balloon.
