

Guess the Place

Imagine you are in a particular place. Say one of the 'rules' that apply, and the other person will try to guess where you are. If they can't guess, give another rule. For example:

- A. - You mustn't talk loudly.
- B. - Are you in a hospital?
- A. - No. You mustn't eat or drink.
- B. - Are you on the metro?
- A. - No. You can read here.
- A. - Are you in a library?
- A. Yes! Well done!
