

Gus must go to work, but his truck won't start.

It is too far to walk.

It is too far to run.

He must take the bus.

Gus got his truck fixed.

In just one day his truck was back.

He did not have to take the bus.

But Gus liked the bus.

Gus cut down on gas.

Now Gus takes his truck just three days a week.

Two days a week, he takes the bus with us!

What does Gus have to do?

Did he have far to go to work?

Why did he have to take the bus?

How long did it take him to fix his truck?

Did he like using the bus?

Why did he like the bus?

How many days does he now drive to work?
