

If You Go Away

_____ you _____ away
On this summer day
Then you might as well
Take the sun away

All the birds that flew
In the summer sky
When our love was new

And our hearts were high
When the day was young
And the night was long
And the moon stood still
For the night bird's song

_____ you _____ away
_____ you _____ away
_____ you _____ away
_____ you _____ away

But _____ you _____
I _____ you a day
Like no day has been
Or _____ again

We _____ the sun
We _____ on the rain
We _____ to the trees
And worship the wind

Then _____ you _____
I _____
Leave me just enough love
To fill up my hand

_____ you _____ away
_____ you _____ away
_____ you _____ away
_____ you _____ away

_____ you _____ away
As I know you must
There _____ nothing left
In the world to trust
Just an empty room
Full of empty space
Like the empty look I see on your face
I'd of been the shadow of your dark
If I thought it might of kept me by your
side

_____ you _____ away
_____ you _____ away
_____ you _____ away
Please don't go away.
