

## Computer Phrasal Verbs

a. Look at these phrasal verbs. Do you know what they all mean?

log on  
sign in  
hook up / plug in  
start / power up  
turn / switch on / off  
boot up  
set up  
come up / pop up  
pull down  
click on  
scroll up / down  
run out of

back up  
find out / look into  
look up  
print out  
hack into  
go down  
wipe out  
sign up  
key in  
opt in / out  
filter out  
shut / power down  
go online/offline

b. Now you know what they all mean, try and put them into your own sentences. For example:

Can you scroll up? I can't see the top of the page.

I back up my laptop every night. I don't want to lose any data.
