

Phrasal Verbs – Illness

a. Look at these commonly used phrasal verbs. First, check to make sure you understand what they all mean:

pick up
cave in / give in
fight off
come out
kick in
swell up
throw up
pass out / black
out
get over
bunged up
cut out
cut down
build up

come round
run down
check up
follow up
look for
come down
get rid of
get out of
pass away
pull through
sign off
pass on
rest up

b. Now try and use these phrasal verbs in your own sentences. For example:

I need to cut out fatty food from my diet to improve my cholesterol.

My ankle has swollen up. I need to rest up.
