

### Restaurant Conversation – Waiting to Place an Order!

Look at the following conversation. Decide if you would use the present perfect (have / has + past participle) or the present perfect continuous (have / has + been + verb in the ing form):

Robin: I think the waiter (forget) \_\_\_\_\_ us. We (wait) \_\_\_\_\_ here for over half an hour and nobody (take) \_\_\_\_\_ our order yet.

Michele: I think you're right. He (walk) \_\_\_\_\_ by us at least twenty times. He probably thinks we (order, already) \_\_\_\_\_.

Robin: Look at that couple over there, they (be, only) \_\_\_\_\_ here for five or ten minutes and they already have their food.

Michele: He must realize we (order, not) \_\_\_\_\_ yet! We (sit) \_\_\_\_\_ here for over half an hour staring at him.

Robin: I don't know if he (notice, even) \_\_\_\_\_ us. He (run) \_\_\_\_\_ from table to table taking orders and serving food.

Michele: That's true, and he (look, not) \_\_\_\_\_ in our direction once.
