

Rule No. 6 & 7 – Definite Article

These two rules are both super easy so it seemed best to do them together. First for musical instruments and for some electronic things:

1. For musical instruments:

- The piano
- The guitar
- The violin

2. For 'some' electronic things:

- The radio
- The internet, etc., ...but not the television:
I watch TV a lot.
What's on TV tonight?

Complete these sentences. Choose from the list. Use 'the' if necessary:

guitar television internet violin printer speaker trumpet radio

1. I listened to a great podcast on last night.
2. Sometimes there are good series on.....late at night.
3.are too loud. Can you turn the sound down?
4. She is playing
5. is a good way of finding out information.
6. Rosy practices every day for 15 minutes.
7. is jammed with paper. Can you take a look at it?
8. has such a great sound, especially when you hear it played live.
