

**Rules No. 10, 11 and 12 - Places**

Rule No. 10 is for names of places for '*republics*', '*states*' and '*kingdoms*'. For example, the Czech Republic, the United Kingdom.

Rule No. 11 is for most *hotels, museums, theatres and cinema*. For example, the Ritz Hotel in London or cinemas such as the Odeon.

The final rule here, Rule No. 12, is with the word '*of*' for certain places. So, for example, we'd say the Tower of London or the Great Wall of China.

Decide if each sentence is grammatically correct or not. Tick right or wrong. When you have finished, you bet (gamble) between 10 and 100 points. If your answer is correct, you win the amount of points you bet but you lose that amount if you're wrong. The winner is the student with the highest grand total:
