

Spell Bound!

Read the following 6 rules:

- A word including the letter C.
- A word including two vowels.
- A word including the letter S.
- A word with two consonants together.
- A word with a double letter.
- A word with two or more syllables.

You have five minutes to think of as many words as you can in each of the six categories.

Your list will be exchanged with another person to check it is correct so make sure you get the right words in the right place!

Each person will then read out a list of their words. Any words that another person has cannot be included in your final list.

The winning person is the person that has the largest number of original words that are spelt correctly!

Good Luck – and remember to try and be original with the choice of words
