Everybody _____ the things you _____
From the way you _____ to the way you _____

Everybody here is watching you
'Cause you _____ like home
You _____ like a dream come true

But if by chance you _____ here alone
Can I _____ a moment before I _____?
'Cause I've been by myself all night long
Hoping you _____ someone I used to know

You _____ like a movie
You _____ like a song
My God, this _____ me
Of when we were young

_____ me photograph you in this
light
In case it _____ the last time
That we might _____ exactly like we
were
Before we realized
We were sad of getting old
It made us restless
It was just like a movie
It was just like a song

I was so scared to face my fears
'Cause nobody told me that you'd _____
here
And I _____ you moved overseas
That _____ what you said, when
you left me

You still _____ like a movie
You still _____ like a song
My God, this _____ me
Of when we were young

_____ me photograph you in this
light
In case it _____ the last time
That we might _____ exactly like
we were
Before we realized
We were sad of getting old
It made us restless
It was just like a movie
It was just like a song

It _____ hard to win me back
Everything just _____ me back
To when you were there
To when you were there
And a part of me _____ holding on
Just in case it hasn't gone
I _____ I still _____
Do you still _____?

It was just like a movie
It was just like a song
My God, this _____ me
Of when we were young, young

_____ me photograph you in this
light
In case it _____ the last time
That we might _____ exactly like
we were
Before we realized
We were sad of getting old
It made us restless
Oh I _____ so mad I'm getting old
It _____ me reckless
It was just like a movie
It was just like a song
When we were young
