

## Word Association – Adjectives

Take turns between you and another person. Follow this sequence:

Person 1 = says an adjective.

Person 2 = something associated with this adjective, usually an object.

Person 1 = makes a sentence with the adjective and the object.

Person 2 = gives a new adjective using the last letter of the first adjective.

For example:

Person 1 = new

Person 2 = shop

Person 1 = I bought a new t-shirt at the shop.

Person 2 = wonderful
