

2nd Conditional

Look at the scenarios below. Decide which one you would choose then explain why.

Example:

Would you rather find true love or \$10m? If I could, I'd choose true love because money can't buy you happiness.

1. ... know the date of your death or the cause of your death? = "If I could, I'd..."
2. ... more time or more money?
3. ... all your choices made by other people or use a random method?
4. ... take a trip to Europe or the Caribbean?
5. ... be able to make an imaginary thing become reality by drawing it or make any real thing disappear by drawing it and rubbing it out?
6. ... have no one show up to your wedding or your funeral?
7. ... have a partner who has contrasting religious views than you or political views as you?
8. ... go back in time or go into the future?
9. ... live in a world where there were no problems or live in a world where you rule?
10. ... live twice as long or win the lottery?
11. ... have everlasting fame and fortune and nothing else, or be with the love of your life and have nothing at all?
12. ... be famous or the best friend of someone famous?
13. ... get a dream vacation for two weeks or spend 5 days with anyone in the world in your hometown?
14. ... be able to fly or read minds?
15. ... save the life of a starving child that you will never meet or have the opportunity to go into space?
16. ... be a lawyer or a doctor?
17. ... have a rewind button in your life or a pause button in your life?
18. ... be able to talk to animals or be able to speak all foreign languages?
19. ... have been able to stop, 9/11 or the Holocaust?
20. ... eat pizza or sushi?
