

Kissing A Fool Lyrics -

<https://www.youtube.com/watch?v=omsBhh8vA7c>

You are _____,
When I could have been your star,
You listened _____ people,
Who scared you _____ death and _____ my
heart,
Strange that you were strong enough,
_____ even make a start,
But you'll never find
Peace _____ mind,
_____ you listen _____ your heart

People,
You can never change the way they feel,
Better let them do just what they will,
_____ they will,
If you let them,
Steal your heart _____ you,
People,
Will always make a lover feel a fool,
But you knew I loved you,
We could have shown them all,
We should have seen love _____
Fooled me _____ the tears _____ your
eyes,
Covered me _____ kisses and lies,
So goodbye,
But please don't take my heart

You are _____,
I'm never gonna be your star,
I'll pick _____ the pieces
And mend my heart,
Maybe I'll be strong enough,
I don't know where _____ start,
But I'll never find
Peace _____ mind,
While I listen _____ my heart

People,
You can never change the way they feel,
Better let them do just what they will,
_____ they will,
If you let them, steal your heart

And people,
Will always make a lover feel a fool,
But you knew I loved you,
We could have shown them all

But remember this,
Every other kiss,
That you ever give
Long as we both live
When you need the hand _____ another man,
One you really can surrender _____,
I will wait _____ you,
Like I always do,
There's something there,
That can't compare _____ any other

You are _____,
When I could have been your star,
You listened _____ people,
Who scared you _____ death and _____
my heart,
Strange that I was wrong enough,
_____ think you'd love me _____.
I guess you were kissing a fool,
You must have been kissing a fool.
